Thank You

Without the financial and material contributions of our various sponsors, this event would not be possible. We greatly appreciate the continued support of the businesses who have advertised in this program, the materials donated for our displays, the space provided by our host, the food donated by Bella Enzo Catering and Event Planning, monetary contributions made by individuals, your auction bids, and the countless hours of time spent by our volunteers in organizing and staging Cohoes Artist Showcase VI. And, of course, our artists – who, by participating, raise our quality of life. We urge you to patronize the local businesses that have supported us, and when doing so, say thank you to them for their community support. As we go to press, this list of contributors is incomplete. If we have forgotten you, know that is not an intentional slight, and that we do value your support.

Our Apologies

As we go to press with this catalog, we realize that it is incomplete. As you wander through the show, if you find something not in the catalog and are interested in more information, do not hesitate to ask. Choose Cohoes members and/or our volunteers for help. We will endeavor to obtain the information you seek.

The Lise Toch Creative Arts Education Fund

Lise Toch was an artist, teacher, Co-owner of Ragged Edge Printmaking Studio and a founding member of Choose Cohoes for Art. Art in the community is something that she strongly supported. Two years ago we established a scholarship fund. Last year we made some alterations to it and renamed it. Every future event produced by the Choose Cohoes for Art will, in part, benefit the fund. The Lise Toch Creative Arts Education Fund will benefit students and artists in Cohoes who need assistance in either education or materials to pursue their art. It will also support art in the community with events and workshops. Over time we will add to the outreach of this fund as need arises.

Art4Vets

Each year, we at Choose Cohoes for Art, try to have a section of art from some local community support group. This year we are proud to include art from a group called Art4Vets. They describe themselves as:

We are Veterans from the Capital District area.

We collaborate with others from across the country via an on-line presence.

We are a group of veterans interested in using the arts to heal. We use craft kits from HHV.org. We are working on drama pieces, do creative writing - given prompts, some are writing for veterans voice magazine, we do movement. Of course, pick your art project and get some supplies. We are working on dance and music options. We are hoping to have art display and talent shows soon, and we go on outings. Please join us if something interests you! We have a group on Facebook called "Art4vets and much much more /support our Troops Committee". We meet at Zaloga Post American Legion.

Some members of this group have entered the show as individuals and are listed in our table of contents with all the other individuals. Some of the art entered is collaborative in nature with multiple artists contributing brush strokes to the finished product. Some of the art is from individual artists who did not enter as individuals but as part of the invited group. Below is a list of all the artists from this group.
